

## The Cold Solution

### For FileNet P8

*Reports, Statements, Invoices, Claims, EDI output, etc....*

KwikWork® “COLD” automates print stream capture for the FileNet P8 Platform. Cost effective & configurable, the solution enables the storage of all content within a single content repository—FileNet P8 Content Manager.

### A central repository is paramount to accessing information...

Legacy information requires extended storage & life cycle management common to both structured and unstructured content. KwikWork COLD becomes the enabler.
