

CSAR Migration Services

For FileNet P8 Platforms

... EMC Centera Implementations

ICI Solutions' CSAR Migration Service offerings can provide single point of contact solutions for the installation and implementation of EMC Centera Storage Systems within your FileNet environment. Reduce your total cost of ownership (TCO) without giving up the safety and security of write-once architecture. Best of all, you can have ICI handle all the details of the installation, including the migration of your existing documents.

Consolidation and Migration options are significant factors in controlling costs...

Moving to a single platform as well as leveraging new storage technologies are key strategies in reducing FTE costs specific to training and operations, as well as overall maintenance and support costs associated with hardware and software components. Migration services is the answer.

Migration Services Include...

- ◆ FileNet Centera Software Installation
- ◆ Centera Installation / Configuration / Testing
